**Step 11 Widen the Table of Contents**

Move your mouse pointer over the border between the Table of Contents and the display area. It changes to a two-headed arrow.

Holding down the mouse button, drag to the right to widen the Table of Contents.

**Step 12 Rename the view**

1. From the View menu, choose Properties to open the View Properties dialog.
2. In the Name text box, change View1 to **Income per Capita**.
3. Click OK to rename the view and close the View Properties dialog.

The counties with the highest per capita income are symbolized in dark purple. To identify a few of them, you can use the Identify tool.
